

Entry form statement of acceptance.

All athletes entered for WMRA Competitions 2, 3, 4, and 5 must fill in and sign the Competition entry form. This includes athletes that the event organiser may have invited (i.e for Grand Prix races).

All entry forms must include the following wording indicating acceptance of the anti-doping arrangements for the Competition by means of their signature. None acceptance (i.e no signature) must result in the exclusion of that athlete from the competition.

When taking part in this competition, I agree to abide by, and be subject to, the WMRA Anti-Doping Regulations (2007) and its appendices. In particular I agree to comply with any request from a certified official to provide a sample for anti-doping analysis
